

PRESS RELEASE

44 STUDENTS BENEFIT FROM Nembe-Ibe USA SCHOLARSHIP AWARD

A total of six undergraduates and thirty eight secondary school students of Nembe Ibe communities are the lucky winners of the 2009/2010 scholarships awarded by Nembe Ibe USA. The names of the recipients were posted on the organization's website www.nembeibeusa.com/awards.html, and recently released by the Liaison Officer of the organization, Jonathan Duomoni at Twon-Brass. It was all smiles of joy as recipients signed for their money at the various institutions. In an Email message a female university student expressed her gratitude thus "...thank you for this very kind award. God bless Nembe Ibe USA."

Nembe Ibe USA is a non-profit, non-partisan organization of Nembe Ibe people resident in the United States of America. It is "focused on empowering the ordinary Nembe Ibe people, through the advancement of education, socio-economic development, creation of vibrant health –care system, elimination of community discord, and combating community deterioration and environmental pollution." The Liaison Officer added that the organization shall actively lobby private and public organizations for the actualization of their vision for developments in the Nembe Community. He directs members of the public to the organization's website at www.nembeibeusa.com/awards.html for details on its proposed activities.
